IGNORANCE IS BLISS.

Hunter Parades Through Town With Partridge Dangling From Gun.

The two old adages, "ignorance is bliss" and "ignorance of the law excuses no one" came pretty near running into a head-on collision in Calumet one day last week. Entirely ignorant of the fact he was openly displaying a flagrant violation of the law, a hunter evidently a foreigner, returning from Keweenaw, walked off the Copper Range depot and proudly marched through Fifth street with two partridge dangling from his trusty shotgun. This in spite of the fact the open season for partridge hunting does not begin until Oct. 1. Sportmen eager to impress the meaning of the law, so that he would not ignore it so completely again, attempted to summon the game warden by "phone, but before the latter's arrival the man with the "birds" had successfully run the gauntlet of various glances and he passed down Fifth and along Oak to Tullock street. No further trace of him has been gained.

Sportmen point to the above incident as indicating that the plan of opening the season for rabbit and duck hunters prior to the opening of partridge season does not work out advantageously.

Lake Superior Pastors Will Assemble in Marquette for Next Session.

At the full meeting of the Lake Superior Presbytery in Newberry last week, Marquette was given the next session, the date being left open. Kader, the retiring moderator of the presbytery, delivered the opening address, his subject having been "The Individuality of Religion." Rev. Helmut, of Stambaugh, was elected moderator for the opening term. One of the addresses of the week was delivered by Rev. J. M. Rogers, who spoke on "The Demands of the Day," dwelling upon the necessity of the church keeping in touch with modern thought and development if it is to accomplish its work in the world.

Rev. Rogers was followed by Rev. M. M. Allen of Ishpeming, who made a strong plea for the extension of home missions, outlining the development that has taken place in the upper peninsula.

Rev. and Mrs. J. J. Strick left last evening for Southern Michigan, where they will visit prior to attending the annual Detroit district conference at Saginaw the last of the month.

After an illness of but a few days' duration, Timothy McCarthy, aged seventy-two years, a resident of the copper country for more than a half-century, passed away about 1 o'clock Sunday morning at his home on Rockland street. The late Mr. McCarthy apparently was in the best of health last week, having worked on Thursday and his sudden death comes as a great shock to his many friends throughout the copper country district.

The deceased was born in Ireland and came to the United States as a young man, locating in Houghton. He worked for several years for mining companies in the vicinity of Houghton and also at Ontonagon, coming to Calumet forty-four years ago. He had been in the continuous employ of the C. & H. Mining company from his arrival here up to the time of his death.

Besides Mrs. McCarthy, the following children survive, Patrick McCarthy and Mrs. M. H. Kelly of Butte; Dennis, Quinlan, John and Miss Anna, who reside at home.

The deceased was a member of Division No. 2 A. O. H. Arrangement for the funeral will not be completed until the relatives in Butte are heard from.

Mrs. Katherine Limbach. Mrs. Katherine Limbach, aged seventy-seven years, wife of Phillip Limbach, passed away Saturday afternoon at her home on the County road, Raymbaultown. Funeral services will be held tomorrow afternoon from the German Reformed church.

The deceased was a native of Germany and had made her home in the copper country for fifty-three years. There survive the following children: Joseph and Charles of Calumet, Peter of Painesdale, Mrs. Fred Haan, Mrs. Isalah Amos and Mrs. Nicholas Kraemer of Calumet.

Late John Madronich. The death occurred Saturday of John Madronich, aged 80 years, after a long illness with cancer. The decedent made his home at Chassell for many years and was well known throughout the copper country. He was the father of Peter Madronich, the well known Calumet undertaker.

DICKINSON IS CANDIDATE FOR LIEUTENANT GOVERNOR

COMPILATION OF THE VOTE INDICATES HIS NOMINATION BY PLURALITY OF 364.

Returns, said to be complete, from the eighty-three counties of Michigan show the nomination in the recent primaries of Luren D. Dickinson for lieutenant governor by a plurality of 364 votes over David E. Heineman of Detroit. Senator Curtis of Flint, who was generally regarded as an easy favorite, was third in the race, which proved to be one of the closest primary contests ever reported in Michigan. Heineman will probably ask for recounts, in an endeavor to overcome the small lead reported for Dickinson. Dickinson was believed to have had a safe lead, but when Wayne county vote was canvassed it was found that Heineman's plurality was over 12,000, instead of around 3,000, as was indicated by the police returns. This whittled away nearly all of Dickinson's lead.

In the upper peninsula Curtis, who paid this region the only visit ever paid it by a Republican candidate for the office, was away ahead of the other candidates, but he was a poor third in Wayne and out in state was considerably behind Dickinson. He was elected senator on the Progressive ticket in 1912 in the Flint district, and was regarded as friendly to Groesbeck in the recent campaign. The same forces that gave Groesbeck his large vote up here helped pile up Curtis' support in this region.

STORE ENTERED; SUSPECT HELD

Matheson and Johnson Store Here Is Burglarized

The store of the Matheson and Johnson company on Fifth street was burglarized Saturday evening or early Sunday morning. Entrance to the building was secured through a basement window some time between midnight and one o'clock, and the "tilt" was looted, about \$15 being taken, in addition to a small quantity of merchandise.

Gust Sampson Lampela was arrested and arraigned before Justice Jackola this morning, charged with responsibility for the burglary. His examination was fixed for Tuesday morning and bonds of \$1,500 were demanded by the court. It is expected these will be secured.

There is considerable evidence against Lampela. An investigation of the premises this morning revealed a rather important disclosure, namely a newspaper bearing the name of Gust Lampela and evidently received by him through the mail. On the supposition that the paper dropped from Lampela's pocket after he had entered the store, the arrest was made, and later witnesses appeared who testified they had seen him in the vicinity of the store at about the hour of the burglary. Lampela, who was a well known baseball player in the old days, a catcher, was arrested a few years ago on a similar charge, which later he admitted.

Fence Line Case Tonight.

The case of Dominick Cerreto, charged with willful destruction of property, namely a fence, by Mrs. Kyrolainen, who resides on a farm near the Electric park, will be given an examination in Justice Jackola's court this evening.
